Description

Ass-notized (28 minutes):

My baby, have you ever dreamed about My flawless ass, maybe after admiring the sun-kissed skin on My smooth, shapely, SEXY legs? Do you fully appreciate how special My rounded butt is? - so smooth, sensual, firm, yet soft. It exceeds all expectations. Just look at it, this thing of divine beauty, a compulsive and sensual masterpiece that leaves all that gaze upon it in awe... weak, aroused and mesmerized by its graceful movement, *Ass-notized* to describe it in a single word. It beguiles, arouses and steals the minds of those who touch it, caress, squeeze, and even savor it in more intimate ways... (giggles)

Imagine what it would feel like if I sat on your lap, eyes locked, lost in adoration as your libido becomes captive to My wanton desires. I'd just trigger you and **turn you into My human furniture**, a personalized seat and ponder how to play and use you next. Maybe I bind you to the four corners of My bed and treat you as My personal love slave, Me on top, you buried beneath My ass with My sexy scent permeating your senses, dropping you deeper into a state of submissive bliss and making you MINE, forever.

you would do anything for Me just to experience your craving to be **used by My ass**. In this

session I'm going to mind f*ck you so deeply. *Using My ass, it will be CUM a primary, recurring part of your dreams and fantasies*, another fetish that ties you closer to Me, reinforcing that Domina Shelle will always be the focal point of your existence.

There is no escaping or resisting My powerful domination and control, you are being trained and conditioned to need more of My brainwashing. It's a spiral of addiction that you will crave, until you are perfect for Me, My loyal, devoted, servant, a prized pet that forever dreams of ways to make Me happy - something W/we both desire!

Domina Shelle's perfect sweet ass has been tattooed in my brain for a while at this point. That previous programming meant that Her image was very firmly stuck in my head from the beginning of this file, making it even more powerful. Body worship sessions are often some of the sexiest that Domina Shelle creates, and that is definitely the case here. If you aren't an addicted slave to Domina's ass before this file, you will be before it reaches its conclusion.

Just when i thought it was impossible to be more infatuated with Domina Shelle She releases Ass-notized. i was already head-over-high heels in love with Her. i was already completely vulnerable to Her soft velvety voice. And now? Now She has given me an intense fetish to worship Her perfect sweet ass. It owns me and i have no power to resist. This is permanent and i wouldn't have it any other way.

I have always had a passion and obsession for the perfection that is my Domina Shelles perfect a**. But i never considered myself worthy of even having fantasies about being allowed to touch Her in such a wonderful place. i even feel guilty looking at Her perfect a** knowing that my slave eyes are not worthy to even look upon such royalty. But in this file, my Owner grants my unworthy thoughts to dream of kissing Her beautiful a**. Thank You Domina for granting me this privilege.

Sweet Ass Shelle, the first name i ever knew for my beloved Domina. It was true then and it is still true. i have been obsessed by Domina's Perfect Ass for as long as i have been blessed to have Her in my life. Now as Her contracted slave, She has made my dreams come true as i am commanded to worship Her Perfect Ass.
Domina, even without this wonderful conditioning session, this slave will always be a willing cushion for You to rest Your Gorgeous, Perfect, Sexy Ass on.
