### Description

I know that when you are not in Chastity your desire is to have MY permission to stroke My c\*ck and c\*m for Me. This may be used as your release from Chastity. I allow you to have the permission you need with this offering to Me for your orgasm.

What you offer here is MORE than just gaining My permission to c\*m. In addition, it is a gesture on the part of My most devoted slave to offer yourself and your orgasm to your Princess as a sign of love and commitment. Accept this as a GREAT gift from your Domina as an expression of My pleasure with you.

Thank You Domina for allowing this slave to release for You. Knowing that i may only cum with Your permission is reinforced the control You have over me and makes me feel it anew.

It feels really good to make a cum payment for Princess. This keeps me from stroking and cumming to much. Thanks for your control, Domina.

I had the honor of paying my first cum deposit. It's amazing how this changes everything. Every cumming feels so more intimate and right. Thanks Domina!

Monday, 18 May 2015

As i am chastised by my beloved Domina, i am not allowed to cum by only paying this cum deposit. i know that any of my orgasm belong to Her and can be only permitted by Her. But when i receive Her permission to cum and enjoy the pleasure of an orgasm, i want that my Domina has also something to enjoy. Therefore i will send Her this cum deposit as a little monetary gift to share my joy with Her.

I have wanted Domina to take more and more control of my life. My life belongs to Her. Now to know that I'm only allowed to cum if I pay my beautiful powerful owner for the privilege overwhelms me with the joy of knowing I am completely owned by Her. Thank You Domina, for taking more control and now allowing me to cum, only for You, now and forever.

Thank you Domina for this. That I have to pay to get permission to cum has been fantasy of mine for a long time and now You are making it reality. I'm so happy.

i don't know if i am the first one to use this or not, but i am still in chastity, and i didn't get the permission to be released yet, but even before releasing i want my Domina to know that "i belong to YOU, Domina Shelle. YOU own me, my orgasm and my cum. Thank You for letting me cum only for YOU" i Love to be controlled by YOU my Domina
