My darling, this is O/our future that W/we are building. A new way of LIVING life fully. This is what W/we want. Can you imagine if all of My time was to be spent with you?... yes, you in full submission to Me. Taking care of Me gives U/us what W/we are working for.

It means so much to me to be able to take care of my Domina and show her my gratitude for making me her weak and addicted slave, even though I know I could never repay her for this. So much pleasure to click and sacrifice for Her.
