Wow... Just wow! This pack isn't just HOT, it is F***ing SCORCHING! Don't hesitate, don't delay, just buy these today, and let Domina's beauty melt your mind, and take your breath away! The title is spot on, drool is the very least you're likely to do! i would opine that Domina should have issued a warning.... Make sure you're sat on towel, or have very absorbent underwear on! Hot... Hot, hot, hot! Thank you Domina for sharing Your beauty with us all. ??????
