Description

My Chamber--Hypnotic Sex Toy by Lady Helena--Shelle's slave girl

Description (37 minutes):

Welcome back to My Fantasy Chamber my mindless slave boy. In room THREE of this powerful series, your Lady uses her sultry voice and trains you to become her sex toy. I continue your education and transformation to be a good slave. Having you fall DEEP under my control, as I use you for my pleasure.

Imagine, my submissive toy, visiting my bedroom DEEP within my Chamber. Your Lady knows how much you crave to please and pleasure me. How much pleasing me means to you. How you yearn to have the chance to be as a slave to me. How long will you withstand my vivid images created by my sexy sultry voice as you submit to the dominant Mistress of your dreams. As you fall deeper and deeper under my control with every teasing word, every teasing desire I implant in your fertile enslaved mind as you become more submissive, more compliant.

My excited toy, heed my warning, continued listening to this powerful conditioning file will ultimately give me control over your sex. In order to maximize your submission and pleasure you should have successfully listened to My Chamber [Introduction](#) and [Room Two](#). Once you have fully absorbed the training then proceed and listen to *My Chamber--Hypnotic Sex Toy*.
