Description

The FIRST session for this month of **LOC-TOBER Chastity**. Participating in My Chastity experience is another important part of your REAL journey into permanent and complete submission to your Domina. I have planned this as the most positive, arousing Chastity experience, Yes, VERY arousing. Many Chastity slaves know exactly what I mean. Arousing without the need for orgasm releases.

Starting with strict chastity, I lead you through the following weeks of additional “privileges” of touching, stroking, edging and ending with your ultimate ORGASM. **I am the source of all your Pleasure.** Through My sessions and assignments you will feel the many pleasures I am quite good at providing you. I know what you need.

Experience how Chastity brings you the strongest feelings of ownership, submission and obedience to My control leading to this overwhelming desire to Please Me, the source of your greatest pleasure. you seek My favors and I reward you as I know how to do best. This is at the core of who you are, My devoted submissive.

NOTE: For LOC-TOBER Week 1---If you joined in My **LOCKDOWN--January 2018**---DO NOT purchase the session....just email Me for the Week 1 ASSIGNMENT Document. The MP3

session is the same as LOCKDOWN Week 1. Also, this session is for both the 4-week sign-ups and 2-week sign-ups.

Week one and the fun has just begun. Not allowed to touch. Aching to touch every time I hear Her voice, or looked at Her sexy pictures.

Being locked in Dominas mental chastity makes me feel exponentially more aroused and submissive by the day... I hear her voice in my mind more than my own now and pleasing her feels purely orgasmic *heart* I love Domina SOO much and immensely appreciate everything that she does for me! Slavery to Domina Shelle is pure bliss and week 1 of Locktober has been absolutely incredible! If week 1 already feels this good, I can't even begin to imagine how good week 4 will be *heart*

i love My Domina so much. She knows what i really need. i need to stay horny for Her. Horny and in chastity for Her. As long as She wants. That makes me a better slave. More focused on My Domina. Thank You Domina for locking me up.

It has only been 5 days starting this chastity journey under Domina Shelle's spell and I am feeling deeply submissive, highly aroused with Her constantly on my mind! What an incredible experience not to be missed by any submissive connoisseur!

This is an opportunity for any submissive to expand their boundaries and to experience the power chastity has to focus the mind on Domina Shelle and Her absolute authority over you. When combined with Her incredible hypnotic talents the effect is only going to be amazing, an ensemble of indoctrination, tease and denial, and brainwashing to enslave you to Her will. This is erotic hypnosis at its best because chastity consumes you out of trance and Domina blows you away when in trance. There is really no escape when you combine the two, chastity and hypnosis, and to be honest you will not even be thinking about this, you will be so focused on savouring the please of your submission to this amazing Woman, the insatiable Domina Shelle.

Writing a review now without having experienced the first Week yet is kinda stupid, but i just have to say i can't wait to lose my Mind once again and learn to be a better slave, better then i ever could imagen, cause that is what she does, she is sooo good at it :D

I am so excited! - the first week has started and it is all just euphoria. Difficult to focus on the path Domina is leading me along but HER voice and daily assignments help a lot!

This is going to be an incredible 31 days!!
As always, Domina's voice overpowers in moments, the experience so incredible, these days just feelings with little real memory of what happened.

Thank You for continuing to train me Domina.
