Description

Mind TRICKERY is a TRIO of MIND play. The first session is one of MY all-time favorite sessions (REMASTERED) "Tricked Into Trance". This session is filled with subliminal messages and layered with hypnotic BLISS. This session will help you to let go of all defenses and just fall into My hypnotic web. The additional two sessions are mind altering LOOPS. One loop is that of your "Unethical Therapist" and the 2nd one is "Brainwashing Addiction".

Between the three sessions you will NOT RESIST...no one can. All mp3's in this amazing TRIO have subliminal messages that may cause permanent changes to your conscious and subconscious mind. MY ASMR Erotic Hypnosis is POWERFUL!

Well this trio is great, everyone should have it, but as far as Mind trickery goes, i guess i should have listened to it a long time ago, the time where i atleast could try to resist, cause now it did not felt like a trick to me at all, as soon as she started i basicly was under already, no tricks needed xD

One of my all time favorite files is back and REMASTERED. In Tricked into Trance i can feel my my will power slipping away under the attack of multilayered confusion. And the blissful relieve to surrender to Domina and finally agree to HER will and control. Ideal for beginners - the additional 2 loop files demonstrate how Domina uses brainwashing and wicked control to bring the erotic experience of Her hypnosis to a maximum. ??????????

?????????? Domina Shelle is amazingly sexy and powerful. Theae remastered files are a prime example of just how powerful and addicting she is. Shelle owns me completely and these sessions are just what i needed to prepare me to go even deeper under her control this year!

Irresistibly powerful and undeniably sexy, Dominas remastered files are absolute masterpieces... I'm so addicted and helplessly aroused by her giggles echoing throughout my helpless mind... No one could resist this.... I am a helpless slave to Domina Shelle forever... *heart*

This collection of a remastered session and two loops are more than a lil mind trickery... they're a naughty mind-fuckery ... giggles... Domina Shelle will sneak into your lil mind and make changes to make you more compliant, obedient and also horny for Her. i found myself listening over and over to one of the loops yesterday doing my nails, to be a good lil sissy girl for Her ... giggles... i was lost in the mesmerizing loop, enchanted by Her soft alluring voice... i didn't notice how time did fly by when my nails finally did shiny in a soft girly pink like 1 hour later... giggles... not to mention that i was completely aroused and wet for my Owner Domina Shelle

Mmmmm yum! One of my favorite things about Domina Shelle is her ability to keep you off guard. Just listen and soon you will obey. It's funny actually, I'm a big fella at 6' and 230 pounds. Yet this cute tiny seductive little woman can have her way with me when she wants. This session is no different. Leading you in the direction of resistance she will lull you into compliance and complete obedience. Before you realize what is happening you will be deeply wanting to obey. The 2 extra brainwashing loops are very erotic and can stand on their own as they make you comply. Now if you will excuse me, I need to put my headphones on and push play. I obey Domina Shelle.
