OMG, i have had the most Incredible out-of-this-world experience being personally taken down by Precious Domina Shelle..... i had no control what so ever and Domina easily and so so skillfully manipulated my mind so i was unable to resist or stop doing anything She said!

The best part was that i was in some kind of frenzy to do everything She said. it was like magic unfolding inside my head. This Woman is Powerful, so very Powerful but Soft, Comfortable, Sweet, very Sexy at the same time, It has taken me a day after to write this review to let my mind get back to normal thinking or best it ever will?

This Woman is Absolutely Amazing with the voice of Angels!
